BEVERLY

TOO HOT TO HANDLE

I got married early and don't regret it at all. My husband and I have a bit of what you might call an open relationship. If one wants to play around then the other should have the same chance. In the beginning we were pretty faithful, but as time went on, we both wanted new sex partners and it has been the best thing since then.

REINVENTED

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

ISABEL DOUBLE-TEAMED PONY RIDE

My hubby wanted to do something special for my birthday and I wanted to do the same for him. He had always wanted to fuck me in the ass and I kept saying NO, but when he said he had another guy to fuck me in a three-some, my little brown star relented and I let them in. I must say, it was quite enjoyable and a birthday-good time was had by all.

To the Wild Ones...

Hey, I hope you guys will like this. I know your magazine and have written before, but this is a good one that you just have to print in your magazine. My name is Casey, and I was to meet two of my male friends at the MGM Casino in Vegas. In case you don't know, this place is humongous. We were going to play at the casino for a couple days over the weekend. I checked into my room and waited for their call to hit the tables. That came about 9pm and I met them at the $5 poker table.

Jedson was already there and then Hank shows up with this bangin' babe on his arm. He introduced her as Mia and we all sat down at the table. After a couple hours of mostly losing hands we abandoned the table and went to the bar for some drinks. Mia excused herself for the powder room and we started jiving Hank about bringing a chick to our boys night, but he told us that she was newly divorced and full of sexual frustration. She worked with him on at the agency and needed to get away from the grind so he suggested Vegas for the weekend.

Now don't get me wrong, she's a fine piece of ass, but she's going to upset our dynamic. Fifteen minutes later, Mia comes back and has another hot chick with her. Settling down at our table, she introduces her as Robyn and that they work at the same firm. Robyn is a blonde girl about 5' 7" featuring a very busty figure with a very full and tight ass. So we drank and talked until about three a.m. The later the night got, the hotter the conversation got and we all decided to go up to Hank's room to continue the party. We found our way to the elevators.

We made small talk for a while and then eventually Mia and Robyn started getting friendlier with us and we were right on it. Hank started undressing Mia and Robyn joined him as Jedson and I watched. From that moment on the heat began. The two ladies were about to be totally consumed by us three well-hung studs.

Mia told Hank that she wanted to suck his cock while we watched. He pulled it out for her to wrap her lips around. She looked at his rock hard stick and licked her lips, knowing that we were waiting our turn. She then greedily sucked the head into her mouth and slurped her way down his long cock. He moaned with surprise and mentioned he could not believe how good she sucked cock. She kept on sucking him and he warned her that if she did not stop, he would be shooting soon. In the meantime Robyn had settled herself between Jedson and me and we pulled out our cocks as she stroked and licked them. Jedson and I high-fived and settled back on the sofa to enjoy the sights and feelings. Robyn gave great head and seeing her blonde hair bobbing up and down on our shafts made it even hotter.

The two ladies switched and

Robyn went to Hank and Mia came over to us and the bjs continued for the next half hour. We all came with Mia taking us both in her mouth and Hank jizzed on Robyn's hair by accident.

Robyn ran off to the bathroom to wash it off and asked Mia to help her. I passed out and don't remember anything else except that I woke up on the sofa the next day with a splitting headache and my cock hanging out of my zipper. The girls and Jedson were gone and Hank was still asleep. I slipped out and headed back to my room and slept the day away.

Jedson called about nine p.m. and said he was with the two girls in his room and they wanted to get fucked since we all passed out last night. Well, at 9:01 I was knocking on Jedson's door.

– Casey, Oakland

He moaned with surprise and mentioned he could not believe how good she sucked cock.

Wild 18+ editor,

I just wanted to give you the goods on my latest, craziest sexcapade! I was driving around Friday night with my wing man Eddie, no agenda at all, waiting to see what popped. He's got a red convertible and of course we were rolling with the top down, and the music up. We pulled up to a stoplight, and right up next to us pulls another convertible, top up, silver this time.

Naturally, Eddie and I are checking it out when one of the windows rolls down and this gorgeous chick pops her smiling head out the window, points directly at me, and says, "You don't need him, come get with us." Then, another girl sticks her head and bottle of Veuve out the window and says, "Yea, baby! The party's in here tonight and there's only room for one!"

I looked quickly at Eddie, "Call me later, much later," I said, heading toward the now open rear door of the silver car. I jumped inside and was greeted by a video camera being shoved in my face. I mugged for the camera, throwing up my best hardcore self. The ladies seemed amused, passed me the bottle, and we roared off at the green light, two girls in the back and a third at the wheel.

"I'm Lynda," said the girlie with the camera. "This is Tandy," she said, grabbing Tandy's left boob, "and behind the wheel is Melody, our designated driver. We're out doing community service work, raising the pleasure quotient of our city. We've only got one rule in our chariot of fire – it's our way, or the highway. Do you agree to play it our way?"

I nodded in agreement, and wasting no time, Tandy unzipped my fly, flopped out my cock, and started jerking me off. I glanced up at the rear-view meeting the shining eyes of Melody. Silently, she nodded in approval.

Tandy slipped my hand inside her tank top. Damn, that girl had some fucking huge nipples! I rolled one between my thumb and fore-finger, pinching it just tightly enough to elicit a sigh of pleasure from her luscious lips. "Lynda baby," Tandy said, "I want me some of that sausage."

With Lynda still rolling the tape, Lynda got down on her knees directly in front of me. She took hold of those fantastic titties of hers and mashed and rolled them together. Looking down at her massive mammaries, Tandy said to me, "I think you know what goes in here." Without missing a beat she slid in close and wrapped her funbags around my waiting cock. I shuddered as her tit-flesh made contact with my member, throbbing in gleeful anticipation of the upcoming titty-fuck.

Melody grabbed the bottle of Veuve and poured some over the tip of my cock and down Tandy's cavernous cleavage. I grunted and started fucking those titties like a pro. Tandy kneaded her melons and tweaked her nipples right along with me, working her tits to match my eager thrusting. As the tip of my cock poked out of her cleavage, Tandy took turns lapping it with her wet tongue and sucking into her mouth ever so briefly.

She leaned into me as she screamed, her pussy contracting and pulsing around my cock, squeezing out the last drops of my cum.

Tandy's free hand has now buried deep inside her panties, playing with what I was sure was a wet pussy. She was moaning, barely able to keep the camera steady. Lynda handed the camera to Tandy as she pulled off her shorts and panties. Sure enough, Tandy had neatly coiffed her pubes into a descending triangle. She and Tandy traded places, Tandy filming now. Lynda straddled me and mounted my cock. She let out a sigh as our crotches met. Lynda, ripped off her top and leaned forward, burying my face in her milk jugs as she bounced up on down on my member.

Lynda took a big swig of the champagne and then pulled her short shorts to the side, exposing her fat pussy lips. After a couple seconds I watched two fingers disappear up inside her. Then I turned my attention back to Tandy's titties, sucking one of her huge nipples into my mouth.

These girls had some fine boobs!

Then Lynda threw her head back and let out a series of short screams, her hips bucking wildly. A glazed-yet-shining look in her eye, she slumped over on me. Tandy gets a good shot of her face as she was screaming and pans down to our crotches. I hear Tandy turn the camera off.

"Get off that cock. You got yours, now I'm gonna get mine," yelled Tandy, playfully, yet seriously. Amazed I hadn't cum yet, I watched as Lynda and Tandy traded places again. Tandy kept her shorts on, pulling them again to the side and slipping my cock up in her. I picked up with her where I left off with Lynda, thrusting deep inside her pussy, squeezing her ass cheeks, and heaving her up and down my ultra-hard shaft.

I was oblivious to the camera and Lynda moving around us taping every inch of our sex. These two had made me crazy and now they were going to get it's benefits. All of a sudden in a wave, my orgasm hit and fuck juice flew from cock into Tandy's pussy, my cock spasming fiercely. This was enough to send Tandy over the edge. She leaned into me as she screamed, her pussy contracting and pulsing around my cock, squeezing out the last drops of my cum.

I slumped back against the seat, and Tandy climbed off me. Lynda moved in for a close-up of my deflating prick, tilted up to my face, and then shut off the camera. "Real good, but you came before we told you to." Melody pulled the car over to the curb. "Yeah, baby. Remember, it's our way or the highway." said Tandy. "Now pull up your pants and get your ass outta here." I protested but the girls weren't having it. They reminded me again that I'd broken the rules.

As I climbed out of the ride, Tandy said, "No hard feelings, hon. Business is business." I'd never felt so used in my whole life.

anal appreciation

I love wearing lingerie in the bedroom. It brings added spice to our lovemaking. There's something really sexy about wearing garters and stockings to fuck in. A delight not lost on my man, either. So if you haven't worn anything sexy for a while, do you both a favor and head to a lingerie store and get a sexy outfit. Your man will appreciate you.

TRINA an ass TO DIE FOR

When I turned eighteen, I thought the world was my oyster. I wanted it all and went for it all. And I got almost all. What I didn't get was a happy sex life, so I expanded my horizons and found love for all the right places. I've only had anal sex a time or two and I'm really starting to like it a lot. There's the naughtiness of it, but there's also the great feeling it gives.

My booty began it's outward journey just after high school. It seemed to get bigger while the rest of me stayed the same. If it didn't, then it was all the guys noticing it and wanting to get at it. At first I resisted having my butt adored, but when I realized the power of the booty, I definitely took advantage of it.

gia's FREQUENT FUCK CLUB

About two year's ago, I started my own frequent fuck club and signed up twelve members almost immedately. The rules of the club are quite simple that if a guy fucks me more than three times, he'll be able to get into may ass. If he fucks me more than six times, he can bring along a friend, male or female. After that, he's just a notch on my bedpost.

MY MILF-ILISCIOUS NEIGHBOR

What could a red-blooded American man do when his super hot neighbor asks to borrow his hose?

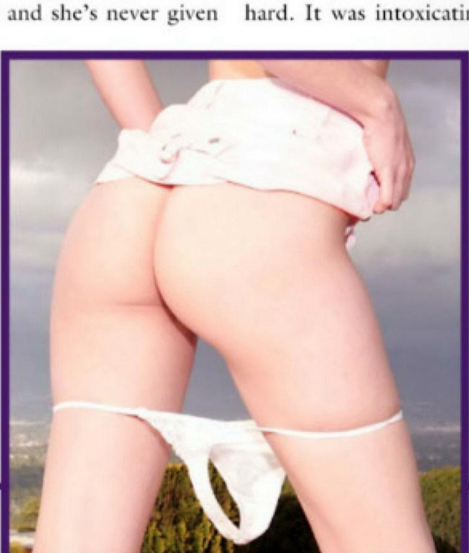
I have lived in the same house for more than ten years and a lot of the people in my neighboring houses have lived there even longer. I live next door to two single women. The house to the left of me is Margaret Moody, a widow in her late fifties. She has lived there since the eighties. To the right Hana, a single mom in her early twenties. A prime example of very young MILF, this one is, with wavy shoulder length blonde hair, brown eyes, and a full but fit body, just the right amount of curves, and an amazing set of breasts. She and her family moved in a couple years ago and I have been hot for her since the day I laid eyes on her. We have been friendly with each other and she has been over to a few of our barbecues, and when I say "our" I mean my wife and mine. I love her very much.

Drum roll, please... however, I have always had this insatiable sex drive and a wandering eye. I just can't help it. This marriage is my second go around and I have really tried to be good and faithful to my wife, so whenever Hana was around I had kept my indecent thoughts to myself. I have been a helpful neighbor and perfect gentleman towards her and she's never given any indication that she had any interest in me either.

This past weekend, my wife was out of town on a business trip for her company to San Francisco. They were opening up a new office and she was there to 'approve' the new facility. She'd be gone almost two weeks, a longer time than usual. I was out in the back cleaning up the first dropping of autumn leaves. I was sweating and from the raking and the gathering, when Hana comes up to the gate and asks if she could possibly borrow a garden hose because theirs has a big leak in it, and it won't attach to the spigot. I had finished with raking so I invited her into the garage, found the hose and gave it to her. I looked over the fence and saw her trying to connect the hose. She was wearing little pinkish cut off jeans and a white tank top and sneaked a peek at her sweet ass as she walked the hose over to her flower bed.

When she was finished watering, she brought the hose back and thanked me for letting her use it, I said it was no problem and turned to hang it back in it's place on the garage wall. I turned back to talk to her some more and as I did she raised her hand to wipe some sweat off her brow, and as she did this she grazed the back of her hand right across my crotch. It seemed like an accident. It could have been an accident. Except it wasn't. She was closer to me than even casually necessary, and on top of that she looked me straight in the eye as she did it. I was entirely caught off guard. She didn't say a word but moved straight in and kissed me hard. It was intoxicating, I love the feel of the first time I kiss a woman, but we were in an open garage, so I cut it short.

"Let's go inside." she said. My head was spinning, it had been a long time since a woman had come on to me like this, but I turned and she followed me in the back door to the laundry room. No sooner were we inside and we were kissing passionately and groping each others sweaty bodies, it was fucking hot. That kind



of moment where two people just have to have each other, it was amazing. She made the first move and a bold one it was, she went straight down on me and pulled my gym shorts and boxers down to my ankles and went straight for my rock hard cock.

I never imagined this hot MILF would ever be on her knees about to suck my cock. So, I leaned back against the washing machine and watched her slather her saliva on my dick as if it was the one thing that nourished her. She took every inch of me down her throat and then flipped it up and lapped the bottom of my shaft like an ice cream cone. I was thinking to myself god damn this cock craving whore has been living next to me this whole time. She then worked her tongue along my taint and began to lick my balls while stroking my cock the whole time and I didn't know how much longer I was going to be able to take it before I had to blow my load, so I kind of tried to back away from her amazing oral intensity, but that just made her work even harder. Stroking, deep throating, and licking my balls, I just couldn't take it any longer and moaned loudly as I spurt as big a load as I ever have deep down her throat.

I splayed back across the washing machine, heaving, wondering what the fuck had just happened. I gathered myself and reached across to the dryer and grabbed out a clean towel to hand to her. She was lapping up all that she could with her tongue and then wiped the rest of the hot goo on to the towel. She said, "I think we both need a shower" as she was wiping the last bit of cum from her face. This sounded great to me and she headed out the back door with a little kiss on the mouth. So I showered, put on some cologne, decent clothes, brushed my teeth, figured let's make this a whole different experience, grabbed a bottle of wine, and headed next door. I knocked, and when she answered, it was not the sweaty cock craving whore that had just left my house, but this incredibly beautiful, sexy woman with her hair and makeup done, in a very form fitting black dress and heels that answered the door. I said, "Wow", that's really all I could say and offered her some wine. We sipped our glasses and all the while just kind of looking each other in the eye and not saying much, and then in an instant, we were back in each others arms, making out like teenagers.

"You know I have wanted you since the day I met you." I said. She nodded her head yes as we continued to kiss. She was just all too much and I wanted to give her the sex of her life so I made sure I paid attention to all the details. I unzipped her dress from the back and admired her as it dropped to the floor. She stood before me naked except for some sexy lacy panties. I kissed her neck and her earlobe, I rubbed her shoulders and caressed her fantastic breasts without going straight for the nips, but then pinched them gently as I worked my hands down her flat tummy. When I reached her soft pubic mound I brushed across it and teased a bit as I continued down her inner thighs, kissing and licking slowly. She let out a deep moan and as I came back up towards her pussy she pressed it against my face and I could feel her wetness through her panties.

She smelled fantastic and I couldn't hold back any longer as I peeled her panties to the side and inhaled the sweet smell. I swear she almost gushed in my face as I saw a trickle of wetness down her leg and I dove right in, lapping up her sweetness. She responded to this with a deep moan and I pushed her back towards the couch. I licked her pussy the same way she sucked my cock earlier – like I needed it to live, and it wasn't

I unzipped her dress from the back and admired her as it dropped to the floor. She stood before me naked except for some sexy lacy panties. I kissed her neck and her earlobe, I rubbed her shoulders and caressed her fantastic breasts...

long before her deep moans became shallow pants and then, she came. Her pelvis shook with waves of climax and buckled into me. Suddenly I felt a wetness all over my face; a drenching wetness came flowing from her quivering pussy, it was something that I had never experienced before, and I licked it all up, every last drop. As she was moaning and coming back from her orgasm she whispered for me to fuck her in my ear. My cock was a raging monster as I entered her soaking wet pussy. I was ready to go and fucked her deep and hard, giving her every inch and ounce of energy that I had and I'm telling you, she loved it. Her deliciously wet pussy absorbed every thrust of my cock, and begged for more. It wasn't long before she was entering her second mind altering orgasm and I continued fucking her through it until her eyes rolled back in her head and she could barely catch her breath. I eased off to a slow, rhythmic pace.

I felt her moist lips brush my ear asking me if I had cum. I was like, 'no baby not yet.' She continued whispering "Baby, my ass is tingling for your cock. I want you inside my butt." Guys, if a woman ever says she wants you to fuck her in her ass, then you know damn well that's what you're going to do. She excused herself and ran up to the bedroom and brought back some lube and rubbed my cock down with it. Then she poured some on my fingers, then on hers and I began to massage her beautifully tight anus, slowly with one finger then two. I watched this sensuous tease with great interest because I had never seen it before.

I asked what position she wanted to be in. She laid back and raised her knees and legs past her ears lifting her hips up so her pussy and asshole were staring me in the face. My lubed fingers fondled her pussy and butt for a very short moment before I entered her tight little ass while looking deep in her eyes, which she closed and grabbed me tight as I sank deep inside her. After slowly accommodating her to my size she let out another deep, slow moan and I starting slowly pumping her tight ass getting a little faster and deeper with each thrust. The lube was working and she was not resisting, so soon I was up to a faster pace and going balls deep in her tight little ass. And she was loving it. Every thrust she was grunting and moaning with lustful bliss. Her reaction and the tightness of her sphincter around my cock and soon I knew I was to let her have it.

She reached down between my legs and grabbed my balls, swirling them around her moistened fingers. She pinched and pulled my nut-sack as I was pumping her ass even harder now. When I was in a deep thrust, I felt one of her fingers slip into my butt hole. I froze for a moment to realize what she had done. She opened her eyes and looked directly into mine and gave out a great big grin. As I continued my manly thrusting, her finger slid in and out of me like it had never been done before. And with that I unleashed a huge orgasm of cum deep inside her and as I did, she came again for third time and her pussy convulsed even more juicy wetness down on to my cock and balls and her asshole clenched and released against my cock, draining every last bit of cum that I had.

We held each other in the same position for a few minutes. Slowly we drifted into sleep as I laid next to this hot minx of a woman all night long, with her next to me and my cum leaking out of her ass. The next morning I awoke at the smell of fresh brewed coffee wafting through the room and a hot moist face cloth on my cock, only to be replaced by a hot moist mouth on it. The first thing she said as to ask if I slept well. I told her it was the best sleep I had in a long time. And that was it. I put on my clothes, took a sip of coffee, walked out her door and into my house.

When I was in a deep thrust, I felt one of her fingers slip into my butt hole. I froze for a moment to realize what she had done. She opened her eyes and looked directly into mine and gave out a great big grin.

AUGUST
MY TEMPERATURE'S RISING

This week, for some reason, I felt my body temperature rising. No, I wasn't getting a cold, and I'm too young for that other thing. So being a veterinarian, I just figured I was going into heat. Not like animals but just enough to make my clit tingle when I touched it, and my pussy was a little wetter than normal. I figured I needed to do something about it. And make a video log for future reference.

BARBIE INVITES ME INTO HER MOUTH

I met Barbie in the produce section of our local supermarket. I told her I was a personal chef as we talked about different ways to prepare broccoli. For some reason, that seemed to get her hot and after a squeeze or two of the tomatoes, she came home with me and we did some cooking. But I soon discovered that her sexual appetite was bigger than her hunger!

Our men are in the other room watching a pro football game. We gals are bored with that shit, so we'll play a game of our own. It's hard to believe that we put on our best undies for these guys, so we'll just enjoy them ourselves. Fortunately, we brought along our own game-plan and that includes these marvelous little sex toys. Okay, enough talking, it's gametime!

I grew up all sweet and coy, trying to be a good girl and date only good guys. I never got a chance to go through my bad boys phase. Now that I'm into it, I love it. They are good fucks with a lot of energy and attitude. Just the way I like them. I only wish they would spend more time licking my pussy than flexing and being bad. But now that's the challenge. To turn them good.

TODAY IS A GOOD - NO - GREAT DAY

These dude have some mighty big balls, and extra large cocks, too. I don't know if I'm in over my head today. How do they ever keep them in their pants? But I'm ready for the challenge. My hubbie invited a friend over, who then invited two more. I think I'm ready for this? My mouth is ready, my pussy's ready, and I'm gonna get my butthole all slickered up so they can fuck it, too.
